To

The Secretary to Government,
Agriculture and Forests Department,
BANGALORE.

Sir,

Subject: Disforestation of an area of 11-19-0 acres comprising of F.S.No.s 268 and 216 of Arge village in Karwar Taluka for gavthan.

Reference: This office letter of even No. dated 3-7-1961 copy at page 1 and P.47A your No.FOR-SR-1070 of 11-9-1961 thereon.

In submitting herewith the papers of the case ending with Divisional Forest Officer, W.D.Kanara's endorsement No.FOP-GFL-SR-950 of 1-12-1961 (page 37) together with the undertaking obtained from the fishermen I have to state as under:-

2. The necessity of making provision of house site for the fishermen of Arge was a long felt one. For this purpose an area of 2-28-0 acres out of F.S.No.178A of Arge was disforested under G.O.No.AFD-112-FLD-57 of 21-1-1958. As this site was found to be not suitable an alternative site in F.S.Nos. 185 and 212 of Arge was proposed. But from the copy of the letter of the D.F.O. W.D. to the Conservator of Forests, B.C.Belgaum endorsed to this office which is at page 41, it could be seen that the forest Department is not in favour of grant of this area.

3. As a result of heavy rains during June onwards and on account of high tidal water of the sea, erosion of the soil took place causing damage to some houses. As already reported in this office letter of even No. dated 3-7-1961, the affected persons were temporarily allowed to occupy part of F.S.Nos. 268 and 216 of Arge pending disforestation of the area for residential purpose.

4. The whole area of 11-19-0 acres comprising of F.S.Nos. 268 and 216 of Arge has been proposed for gavthan as shown in the layout plan at page 25. Out of this area an area of 20 gunthas has already been disforested for school purpose and action for republication of draft notification in this case is in progress. So, the net area involved in this case for disforestation for the purpose of gavthan is 10-39-0 acres including an open space of 1-28-0 acres.

I have inspected the site on 12-11-1961 jointly with the State Port Officer, Port Officer Karwar, D.F.O.W.D.Kanara, the Executive Engineer Kanara and the Superintendent of Fisheries Karwar. The site is found to be suitable for the permanent residence of the fishermen. The State Port Officer has no objection to the release of the area. The Joint inspection note is at page 39. The Divisional Forest Officer, W.D.Kanara has also given his concurrence for the release of the area (Vide his endorsement at page 37). The site has also been approved by the District Health Officer Karwar as suitable for habitation from health point of view (Kindly vide his endorsement at page 29). The grazing area of 772-25-0 acres is adequate for 507 heads of cattle of the village.

6. Government may therefore, kindly be moved to accord sanction for the disforestation of an area of 10-39-0 acres out of F.S.Nos. 268 and 216 of Arge for residential purpose and the papers returned for further action. Action for disposal of the plots will be taken in accordance with the Government Policy in the Revenue Department. As the area involved is more than 5 acres, the papers are submitted to obtain Government orders as required by G.R.A& F.D.No.FDM-1054 of 28-1-1955 read with Government Resolution of even No. dated 20-4-1955.

Yours faithfully,

T. P. Narasimha

Deputy Commissioner, N. Kanara.
